

SYDNEY

Sydney is Australia's oldest, most populous city. It is home to the world's largest naturally formed harbour, the Sydney Opera House, Sydney Harbour Bridge and more than 100 beaches including the famous Bondi Beach.

A SMART CITY

Sydney is the capital of Australia's digital and information communication technology (ICT) industries and is home to the [Sydney Startup Hub](#), the largest startup powerhouse in the Southern Hemisphere, and it is the regional headquarters of 600 multinational companies including Amazon, Google and Microsoft. The city is also responsible for the development of Google Maps and a groundbreaking 'quantum hack'.

Sydney is home to many of Australia's leading industry associations, financial institutions and insurers, and is the location of choice for headquarters of 60 out of 64 banks in Australia.
